

**The Order of Malta
Annual Archbishop's Dinner
with His Excellency the Honourable Paul de Jersey AC, Governor of Queensland,
accompanied by Mrs Kaye de Jersey**

Friday 1 April 2016

The opportunity presents itself to partner with the Order of Malta and their Coats for the Homeless Programme in 2016.

For over 900 years the Order has been caring for Our Lord's Poor and the Sick. Today one way the Order is fulfilling this mission is the Coats for the Homeless Programme. Specially designed and manufactured with input from the homeless these coats make a big difference for those on the margins of our society. Over the last few years thousands of coats have been distributed nationally, with the aim to distribute even more this year.

The Order is seeking to partner with organisations that also seek to contribute to society and make a difference in the lives of the most vulnerable.

The dinner is expected to be attended by approximately 140 Chief Executives, Board Members, senior members of the legal and medical professions and community leaders.

This is an outstanding opportunity to support and partner with the Order for this worthwhile cause.
