

*Hymn to  
Our Lady of Philermos*

Holy Mary, pray for us,  
so red the rose of Our Lady adore;  
the Lord who created such beauty for us  
to grow and show us for evermore.

***Refrain:***  
*So bright,  
So bright,  
Your beauty,  
Our everlasting light*

Beauty our Rose the Order provides,  
petals so red adorned on a rod.  
This gift of our Rose for all our lives,  
The Mystical Rose created by God. *R.*

Thorns of the Rose are harsh and rough  
formed into a crown He suffered for us.  
They protect the Body that seems so tough  
As Lord and God He died for us. *R.*

Rose awakes to Heavenly glory,  
beauty to witness for all to believe,  
To spread the Word, to tell the story,  
Holy Mary our New Eve. *R.*
